The infographic features a green header with the Government of Karnataka logo on the left and the Bruhat Bengaluru Mahanagara Palike logo on the right. The main title reads "What you need to know about micro-containment zones in Bengaluru". Below the title, a text box explains: "If there are 3 Covid19 positive cases in an area of 100 m radius, the area will be defined as a micro-containment zone." To the right of this text is a map of a city street grid with a red circle highlighting a specific area containing three red location pins. Below the map, there are four icons representing COVID-19 safety measures: a group of people with a red 'X' (no gatherings), two people with a red 'X' (no handshakes), a person wearing a face mask, and hands being washed with soap. At the bottom left, there is a green box with the text "Stay safe!" and a yellow box with the hashtag "#BBMPFightsCovid19".
