Office of the Chief Commissioner, Head Office, Annex-1, Bangalore-02

No. CCom./PSR/55 /2021-22

Date: 11.05.2021

COVID URGENT

Office order

The following Guidelines for all types of CCC's / Triage and Tertiary Care Centres are as follows. These guidelines shall be followed immediately and the action taken shall be reported to this office without fail.

1. There shall be a Triage center in all the MLA constituencies of Bangalore.
2. The Triage centers shall have a set of Doctors in three shifts that is 24/7.
3. The Triage centers shall have all the Medical equipment's and medication required.
4. The Doctors in the Triage center shall be in touch with the physicians attached to them, in case they need any expert advice.
5. The Doctors in the Triage center shall assess the condition of the patient and based on their condition shall admit them in the CCC or refer them to a higher medical facility.
6. The Triage centers shall be a walk-in facility, where in any patient can walk-in and get themselves checked and based on the advice given by the Doctors, he/she shall be moved to the attached CCC or hospital as the case may be.
7. There shall also be a Triage center at all the CCCs, in case of any patient walk-in, he/she shall not be refused, but triaged and then either admitted or shifted to the higher medical facility.
8. There shall be sufficient number of Ambulances in the Triage center and also at the CCCs to shift the patients in case of emergency.
9. Each triage center shall be attached to an exclusive referral hospital/medical college/private hospital as shown in the columns below:
